Policy:

The Board of Trustees of Jackson County Regional Health Center (JCRHC) is committed to providing quality, compassionate care to all of those in need regardless of ability to pay. In support of this commitment, JCRHC maintains this Financial Assistance Program (“FAP”) policy to provide assistance for eligible individuals with covered health care needs.

Purpose:

To meet the needs of the community, JCRHC has established a fair and equitable FAP to provide Financial Assistance that reflects the status of JCRHC non-profit healthcare provider, which promotes its mission. The FAP is focused on those patients who are unable to sustain the extraordinary burden of medical expenses due to limited income and resources. The FAP applies to any emergency and other Medically Necessary Care for eligible individuals and is intended to comply with the Code Section 501(r) Requirements.

Definitions:

Please see [Appendix 1](#) for a complete list of definitions used in this FAP.

General Considerations:

This policy will apply to all patients regardless of national origin, age, race, color, sex, creed, culture, education, ability to pay, sexual orientation, veteran status, religion, handicap/disability, diagnosis, or political affiliation. Reasonable efforts will be taken to ensure that any language or hearing barriers are addressed, consistent with the Code Section 501(r) Requirements.

Practice/Procedure:

A. SCOPE:

1. **General:** The FAP applies to all emergency and other Medically Necessary Care provided by JCRHC to eligible patients, including all such care provided in JCRHC.
2. **Exclusions:** Patient care that is not considered emergency or Medically Necessary Care, elective, cosmetic, or other care deemed to be generally non-reimbursable by government payers shall not be considered eligible for Financial Assistance.
3. **Publicity:** Facility will widely publicize the availability of the FAP to all patients. The measures for widely publicizing the FAP are provided in [Appendix 2](#).
4. **Other Programs and Discounts.** JCRHC will make available to all patients information on its FAP as well as other JCRHC programs that may provide assistance, such as prompt-pay discounts, and financing options.

B. ELIGIBILITY CRITERIA AND FINANCIAL ASSISTANCE:

1. **Insured Status.** Financial Assistance may be available for patients who are uninsured or underinsured, if they meet applicable eligibility criteria. An uninsured patient is a patient who has no level of insurance or third-party payment assistance. An underinsured patient is a patient who has some level of insurance or third-party payment assistance but whose out-of-pocket expenses exceed his/her financial abilities.

2. Minimum Balance. Effective on date of service July 1, 2016, the minimum balance on any account to qualify for Financial Assistance must be equal to or greater than \$200.00.
3. FAP Application and Criteria. The primary criterion for determining eligibility for Financial Assistance is household income, including certain available net assets, based on the information requested and provided in the FAP Application, as explained in Section D. An individual will not be denied Financial Assistance based on information that has not been specified or required in the FAP or in the FAP Application.
4. Financial Assistance Sliding Scale. Effective date of service January 1, 2016, Financial Assistance shall be available pursuant to the sliding scale found in Appendix 3, which is based on the Federal Poverty Income Guidelines (“FPIG”). Consistent with the sliding scale, 100% Financial Assistance (i.e., full Charity Care) shall be provided to documented homeless patients, deceased individuals without estates, and underinsured and the uninsured patients earning 100% or less of FPIG.

Furthermore, a patient determined to be eligible for Financial Assistance shall not be financially responsible for more than the Amount Generally Billed (AGB), as defined in Section C, for emergency or other Medically Necessary Care. Discounts available under the FAP are based on gross charges applicable to the service. Patients may be eligible for discounts such as prompt-pay discounts in addition to, or in lieu of, this FAP.

5. FPIG. The Patient Financial Services (PFS) Dept. Manager shall be responsible for updating the FPIG every calendar year.
6. Extenuating Circumstances. On occasion, extenuating circumstances may exist which would cause JCRHC to grant Financial Assistance to a patient who may otherwise not meet quantitative criteria. In such cases, the PFS Manager or appropriate Management staff will document why the assistance was granted and supporting documentation will be maintained.
7. Offsets. In the event a patient is awarded a settlement from pursuing legal proceedings or has received financial resources specifically identified to cover the care that was delivered, it is the obligation of the patient to inform JCRHC and make appropriate payment to JCRHC at that time. JCRHC may reverse the decision of Financial Assistance and document accordingly, to the extent allowed by the Code Section 501(r) Requirements.
8. Cooperation. Any patient who fails or refuses to provide requested information to a third party payor that results in a denial will not be eligible for the FAP. A patient who furnishes materially incorrect or fraudulent information in connection with this FAP may be deemed ineligible for Financial Assistance at the sole discretion of JCRHC.

C. AMOUNTS GENERALLY BILLED (AGB):

For purposes of the FAP, JCRHC calculates AGB using the prospective method consistent with the Code Section 501(r) Requirements. Members of the public may readily obtain the applicable AGB percentage and a description of the calculation in writing and free of charge by contacting the PFS Dept. (see page 5 for contact information), or visiting JCRHC.

D. APPLICATION PROCESS:

1. FAP Application. Patients seeking Financial Assistance must complete a FAP Application to document income and expenses (liabilities) unless they meet the presumptive eligibility criteria (see Section D.5). JCRHC may ask for a credit card statement to support the information provided in the FAP Application. FAP Applications may be found online at www.jcrhc.org, contacting the PFS Dept. or visiting JCRHC.
2. Income Verification. Income (household income) will be estimated yearly by the patient supplying any of the following:
 - A copy of the most recent tax return
 - A copy of the most recent W-2 form and 1099 forms
 - Copies of the 2 most recent pay stubs
 - Written income verification from an employer if paid in cash

3. Completeness. JCRHC recognizes that not all patients are able to provide complete financial and/or social security information. Therefore, approval for Financial Assistance may be determined based on available information.
4. Identification. To verify a patient's name, date of birth, and/or address, the patient must provide any of the following:
 - A valid passport
 - A valid birth certificate
 - A certificate of citizenship, U.S. or foreign (including but not limited to DHS Forms N-560 or N-561)
 - An identification card issued by the U.S. or a foreign government (including but not limited to DHS Form I-197)
 - An official military record of service
 - A certification of a foreign birth (including but not limited to form FS-545)
 - A report of birth abroad (including but not limited to Form FS-240)
 - A Certificate of Report of Birth issued by the U.S. Department of State (Form DS-1350) or similar form issued by a foreign government
 - A verification with the Department of Homeland Security's Systematic Alien Verification for Entitlements (SAVE) database
 - A government census record
 - A certificate of naturalization, U.S. or foreign (including but not limited to DHS Forms N-550 or N570)

If the patient is not able to provide a document from the above list, the patient must provide an alternate written means through which JCRHC can verify the patient's name, date of birth and/or address.

5. External Sources. JCRHC may utilize previously completed Financial Assistance applications to make presumptive eligibility determinations. In addition, demonstration of one or more of the following will result in a presumptive eligibility determination:
 - a. Homelessness
 - b. Deceased with no estate
 - c. Mental incapacitation with no one to act on patient's behalf
 - d. Medicaid eligibility, but following date of service, or not for non-covered services
 - e. Recent personal bankruptcy
 - f. Incarceration in a penal institution

In these instances where assistance is found to be appropriate, notice will be forwarded to patient via reduced balance on their statement, which shall include information regarding how to apply for potentially more generous Financial Assistance within a reasonable period of time (see E.1.a).

6. Remaining Balance. All balances owing after Financial Assistance has been provided may choose financing options pursuant to the standard payment procedures of JCRHC or make monthly payments for up to six (6) months if application to a financing institution is denied.
7. Referral Sources. Patient referrals may come from the patient or anyone acting on his/her behalf, including medical staff. In addition, the PFS Dept. shall routinely review the payment history of accounts to determine possible candidates with emphasis on those with demonstrated payment history that are willing but unable to pay more.
8. Timeline for Establishing Financial Assistance Eligibility.
 - a. A FAP Application will be accepted and processed by JCRHC at any time during the Application Period pursuant to the procedures outlined in Section E.
 - b. The information contained in a FAP Application is valid for six (6) months, and, after that time period expires, the application will need to be renewed.

E. BILLING AND COLLECTIONS PROCESS:

As described below, JCRHC will make reasonable efforts to determine whether a patient is eligible under this FAP for Financial Assistance before it engages in an extraordinary collection action (ECA). Once a determination is made, JCRHC may proceed with one or more ECAs, as described herein.

1. FAP Application Processing. Except as provided below, a patient may submit a FAP Application at any time during the Application Period, which is generally 240 days from the date of the first post-discharge bill as defined in Appendix 1. JCRHC will not be obligated to accept a FAP Application after 240 days from the date of the first post-discharge bill (including patients who have fully paid applicable charges) unless otherwise specifically required by the Code Section 501(r) Requirements. Determinations of eligibility for Financial Assistance will be processed based on the following general categories.
 - a. Presumptive Eligibility Determinations. If a patient is presumptively determined to be eligible for less than the most generous assistance available under the FAP (for example, the determination of eligibility is based on an application submitted with respect to prior care), JCRHC will notify the patient of the basis for the determination and give the patient a reasonable period of time to apply for more generous assistance before initiating an ECA.
 - b. Notice and Process Where No Application Submitted. Unless a complete FAP Application is submitted, JCRHC will refrain from initiating ECAs for at least 120 days from the date the first post-discharge billing statement for the care is sent to the patient. In the case of multiple episodes of care, these notification provisions may be aggregated, in which case the timeframes would be based on the most recent episode of care included in the aggregation. Before initiating one or more ECA(s) to obtain payment for care from a patient who has not submitted a FAP Application, JCRHC shall take the following actions:
 - i. Provide the patient with a written notice that indicates Financial Assistance is available for eligible individuals, identifies the ECA(s) that are intended to be taken to obtain payment for the care, and states a deadline after which such ECA(s) may be initiated that is no earlier than 30 days after the date the written notice is provided;
 - ii. Provide the patient with a plain language summary (see Appendix 4); and
 - iii. Make a reasonable effort to orally notify the individual about the FAP and the FAP Application process.
 - c. Incomplete FAP Applications. In the case of a patient who submits an incomplete FAP Application during the Application Period, JCRHC shall notify the patient in writing about how to complete the FAP Application and give the patient seven (7) calendar days to do so. Any pending ECAs shall be suspended during the reasonable opportunity, and the written notice shall (i) describe the additional information and/or documentation required under the FAP or the FAP Application that is needed to complete the application, and (ii) include appropriate contact information.
 - d. Complete FAP Applications. In the case of a patient who submits a complete FAP Application during the Application Period, JCRHC, shall, in a timely manner, suspend any ECAs to obtain payment for the care, make an eligibility determination, and provide written notification, as provided below.
 - e. Restrictions on Deferring or Denying Care. In a situation where JCRHC intends to defer or deny, or require a payment before providing, Medically Necessary Care because of an individual's nonpayment of one or more bills for previously provided care covered under the FAP, the patient will be provided a FAP Application and a written notice indicating that Financial Assistance is available for eligible patients and stating the deadline, if any, after which JCRHC will no longer accept and process an application submitted (or, if applicable, completed) by the patient for the previously-provided care at issue. This deadline shall be no earlier than the later of 30 days after the date that the written notice is provided or 240 days after the date that the first post-discharge billing statement was provided for the previously provided care.
2. Determination Notification.
 - a. Determinations. Once a completed FAP Application is received on a patient's account, JCRHC will evaluate the FAP Application to determine eligibility and notify the patient, patient's legal guardian, and/or responsible party in writing of the final determination within forty-five (45) calendar days. The

notification will include a determination of the amount for which the patient and/or responsible party will be financially accountable. If the application for the FAP is denied, a notice will be sent explaining the reason for the denial and instructions for appeal or reconsideration.

- b. Refunds. JCRHC will provide a refund for the amount a patient has paid for care that exceeds the amount the patient is determined to be personally responsible for paying under the FAP, unless such excess amount is less than \$5.00.
 - c. Reversal of ECA(s). To the extent a patient is determined to be eligible for Financial Assistance under the FAP, JCRHC will take all reasonably available measures to reverse any ECA taken against the patient to obtain payment for the care. Such reasonably available measures generally include, but are not limited to, measures to vacate any judgment against the individual, lift any levy or lien on the individual's property, and remove from the individual's credit report any adverse information that was reported to a consumer reporting agency or credit bureau.
3. Appeals. The patient may appeal a denial of eligibility for Financial Assistance by providing additional information to the PFS Department within fourteen (14) calendar days of receipt of notification of denial. All appeals will be reviewed by the PFS Manager for a final determination. If the final determination affirms the previous denial of Financial Assistance, written notification will be sent to the patient, legal guardian, and/or responsible party.
 4. Collections. Upon conclusion of the above procedures, JCRHC may proceed with ECAs against uninsured and underinsured patients with delinquent accounts, as determined in JCRHC procedures for establishing, processing, and monitoring patient bills and payment plans. To the extent applicable, JCRHC will utilize a reputable external bad debt collection agency or other service provider for processing bad debt accounts and shall comply with the Code Section 501(r) Requirements applicable to third parties.

F. ADMINISTRATION:

1. General. The FAP is administered by JCRHC PFS Department at the direction of the Board of Trustees.
2. Interpretation. JCRHC has the sole discretion to interpret, enforce, and administer this FAP consistent with all federal, state, and local laws, and regulations that may apply.
3. Amendment. This FAP may be amended from time to time by the Board of Trustees of JCRHC.
